### Horseplay;

Horseplay is another problem that can endanger people at a worksite it is very important to know the appropriate limits of what is and is not acceptable behaviour when you are on the job. Having fun and joking with your coworkers is healthy and makes a work environment fun. However, having fun cannot extend to any actions that can put anyone in harm's way, either emotionally or physically.

Research shows that innocent horseplay in a work environment has enormous potential to result in injuries and even fatalities.

Practical jokes like shooting compressed air at people or throwing water on people can cause serious injuries and just not acceptable. Knowing the limits and don't take chances with anyone's safety. Please continue to work safe Pipework really **CARES!**
